The YTD Extension Privacy Policy applies to the YTD Extension only and is independent of any other application(s) you may be installing or using concurrently. YTD Extension is built and maintained by Spigot, Inc. ("We"). We care about your privacy and will never collect personally identifiable information or monitor usage on an individual level.
Changes to this Privacy Policy
We may update this privacy policy from time to time. We will notify you about significant changes in the way we treat personal information by placing a prominent notice on our site. When there is a material change to the reference notices or the extension software, we will notify you though a pop-up in your web browser. At that point you will be given the chance to accept the new changes and update the extension or decline the new changes and do not update the extension. Uninstall instructions are also presented at this point.
Information we collect during Extension Installation
The information we collect is for basic reporting purposes only, and includes the following:
a) Date and time of installation
b) Date and time of un-installation
c) Originating IP address and the user's country at time of installation/un-installation
d) Extension status in Internet Explorer or Firefox (i.e. if a extension is hidden or displayed in the browser)
e) Partner ID at time of installation

The YTD Extension Privacy Policy applies to the YTD Extension only and is independent of any other application(s) you may be installing or using concurrently. YTD Extension is built and maintained by Spigot, Inc. ("We"). We care about your privacy and will never collect personally identifiable information or monitor usage on an individual level.
Changes to this Privacy Policy
We may update this privacy policy from time to time. We will notify you about significant changes in the way we treat personal information by placing a prominent notice on our site. When there is a material change to the reference notices or the extension software, we will notify you though a pop-up in your web browser. At that point you will be given the chance to accept the new changes and update the extension or decline the new changes and do not update the extension. Uninstall instructions are also presented at this point.
Information we collect during Extension Installation
The information we collect is for basic reporting purposes only, and includes the following:
a) Date and time of installation
b) Date and time of un-installation
c) Originating IP address and the user's country at time of installation/un-installation
d) Extension status in Internet Explorer or Firefox (i.e. if a extension is hidden or displayed in the browser)
e) Partner ID at time of installation
f) Extension version at time of installation
